Terms & Required Signature(s)

If the Community Foundation does not receive an investment recommendation for the Fund, assets will be held in the Money Market Pool.

Allocations are rebalanced to targets once a month. In the interim, cash coming into the Fund will be held in the Money Market Pool. The responsibility for managing the Community Foundation's investment program is vested in the Community Foundation's Board of Directors through its Investment Committee. The percentages in the mix options may change from time to time upon Investment Committee review. For additional details regarding investment mixes and pools, refer to www.growyourgiving.org/agency-funds to view the Investment Performance Summary and the Supplemental Report.

As required by IRS regulations:

- a) the investment recommendation is advisory only and the Community Foundation may, at its sole and absolute discretion, follow or decline to follow the recommendation;
- b) the Community Foundation may at any time, at its sole and absolute discretion, change the investment of all or any portion of the assets in the Fund;
- c) if the investment recommendation is accepted, the investments will be administered in accordance with the financial policies and fiduciary standards of the Community Foundation; and
- d) investments are subject to normal market and interest rate fluctuation risks, and any gain or loss generated by the above investments will be credited or charged to the Fund.

Additional approval may be required from the Fund Advisors or the Agency based on the Fund's approval requirements.
