The Company named in this document establishes this Fund with the Greater Kansas City Community Foundation.

The current Fund Advisor(s) may make recommendations for grants (from income and principal), investments, and other administrative matters. If two or more are named, any may act alone, unless otherwise noted in Section 6. Upon the resignation, death or incapacity to serve of the Fund Advisor (or the surviving Fund Advisor if two or more individuals have been named), an Advisory Committee Member will either then advise the Fund or name a new Fund Advisor.

If Selecting Investment Option One: The Fund will be managed directly by the named financial advisor participating in the Community Foundation's financial advisor program until such time that the Community Foundation or the Fund Advisor(s) exercise(s) the option to make a different selection for management of this Fund. The named financial advisor will manage the assets of this Fund in accordance with the most current financial policies and standards of the Community Foundation. The Community Foundation will regularly review the financial performance of this Fund.

If Selecting Investment Option Two: The responsibility for managing the Community Foundation's investment program is vested in the Community Foundation's Board of Directors through its Investment Committee. The percentages in the mix options may change from time to time upon Investment Committee review.

As required by IRS regulations:

- a) the investment recommendation is advisory only and the Community Foundation may, at its sole and absolute discretion, follow or decline to follow the recommendation;
- b) the Community Foundation may at any time, at its sole and absolute discretion, change the investment of all or any portion of the assets in the Fund;
- c) if the investment recommendation is accepted, the investments will be administered in accordance with the financial policies and fiduciary standards of the Community Foundation; and
- d) investments are subject to normal market and interest rate fluctuation risks, and any gain or loss generated by the above investments will be credited or charged to the Fund.

The Community Foundation's administrative fee schedule is attached. The fee schedule is subject to modification and may be increased or decreased at the sole discretion of the Community Foundation.

The Corporate Donor-Advised Fund Policies are attached; signing below indicates acceptance of these policies. The Community Foundation reserves the right to make the final decision regarding distributions from the Fund.

If no representatives from the Company are available to advise and consult with the Community Foundation, the Community Foundation shall use the principal and income from the Fund for charitable purposes.

Greater Kansas City Community Foundation

This administrative fee schedule applies to funds at the Greater Kansas City Community Foundation. Administrative fees are used exclusively to support our mission-based operations. These fees are your investment in a 501(c)(3) public charity dedicated to increasing charitable giving, educating and connecting donors to community needs they care about, and leading on critical community issues.

The administrative fee structure illustrates the annual cost for a fund. These fees are assessed to the Fund on a monthly basis. (The monthly fee equals one-twelfth of the annual fee, based on the average fair market value of Fund assets for the month. If there are no assets in the Fund for the entire month, there is no fee.) For newly established funds, the annual fee is prorated over the remainder of the year.

Fund Assets up to \$7 million	Annual Administrative Fee
first \$500,000	1.00% or \$250 <i>(whichever is greater)</i>
next \$500,000	0.60%
next \$2 million	0.30%
next \$4 million	0.10%

Sample Fee Calculations

Fund assets of \$10,000
\$250 minimum fee applies: 1.00% of \$10,000 is less than \$250
Total annual administrative fee = \$250 (\$21/month)

Fund assets of \$30,000
1.00% fee on \$30,000 = \$300
Total annual administrative fee = \$300 (\$25/month)

Fund assets of \$600,000
1.00% fee on the first \$500,000 = \$5,000
0.60% fee on the next \$100,000 = \$600
Total annual administrative fee = \$5,600 (\$467/month)

For funds with assets in excess of \$7 million, please contact us at service@growyourgiving.org or 816.842.7444.

Funds will be charged for direct expenses incurred by the Community Foundation on behalf of a specific fund, such as commissions for the sale of contributed stock or legal fees. The Community Foundation may request additional fees for extraordinary services such as special grant processing and review (which may apply pursuant to a contract with the Community Foundation or after the death of the founder(s) of the Fund if no advisors are serving) or other non-standard services.

For funds receiving a bequest that will be fully disbursed to one or more charities upon receipt, the Community Foundation will assess a one-time 3% fee on such bequest.

Contributions to Corporate Donor-Advised Funds

Contributions to corporate donor-advised funds at the Community Foundation are gifts to a public charity and eligible for the maximum tax deduction allowed by law. The Community Foundation accepts gifts of cash, publicly traded securities, private business interests (closely held stock, limited liability company interests, limited partnership interests), and real estate. Contributions are subject to the review and approval by the Community Foundation prior to acceptance and are irrevocable once accepted. The Community Foundation does not provide legal, tax or financial advice, so the Community Foundation encourages donors to consult with their own professional advisors prior to making a contribution.

Contributions of Non-Cash Assets

The general policy of the Community Foundation is to sell all contributed property as soon as practical after receipt to minimize market risk. For non-publicly traded securities or other assets for which no readily liquid market exists, the Community Foundation will exercise discretion as to the timing and price of sales. Any costs incurred by the Community Foundation necessary for the disposition of securities and other assets and for the management of such assets prior to disposition will be an expense of the corporate donor-advised fund.

Grants from Corporate Donor-Advised Funds

Through a corporate donor-advised fund, companies can enjoy supporting any 501(c)(3) public charity in the United States, including governmental, educational and religious institutions. Companies may suggest grants directly to international organizations for an additional fee that covers the additional due diligence required of international grants. The IRS does not allow the Community Foundation to make distributions to individuals or pay fundraising expenses. Rest assured that the Community Foundation will exercise due diligence to make sure grants from corporate donor-advised funds are given to organizations that have met IRS requirements.

Additional information about specific granting guidelines can be found at www.growyourgiving.org/grant-guidelines.

Because contributions to corporate donor-advised funds are eligible for a charitable tax deduction, grants subsequently made from corporate donor-advised funds are not tax deductible.

Fund Activity

The Community Foundation is responsible for ensuring corporate donor-advised funds are used for charitable grantmaking and do not confer any private benefit on the company. The Community Foundation monitors the use of corporate donor-advised funds to ensure their activity leads to charitable distributions. The Community Foundation does not have a minimum amount for grants or maximum frequency of grants. Fund Advisor(s) can suggest grants in any amount and as often as they like. The Community Foundation periodically checks in on corporate donor-advised funds that are not being used to ensure the Community Foundation understands the company's plans for their funds.

Fund Statements

Fund statements will be available on a quarterly basis through the online donor portal. If you wish to receive fund statements through the mail, please contact Donor Services at service@growyourgiving.org or 816.842.7444.

Role of Corporate Donor-Advised Fund Advisors

At any time, a Fund Advisor or an Advisory Committee Member may designate one or more individuals to be Fund Advisors. Each Fund Advisor may individually make recommendations for grants, investments and other Fund-related matters.

Who Can Manage the Investments of a Corporate Donor-Advised Fund

A Fund Advisor may recommend that a corporate donor-advised fund be invested in the Community Foundation's investment pools or with a financial advisor. Financial advisors may manage the investments of a corporate donor-advised fund as long as the financial advisor is not (i) the company or an employee of the company, (ii) a Fund Advisor, (iii) any family member of an employee or Fund Advisor (defined as that person's spouse, ancestors, children, grandchildren, great grandchildren, brothers, sisters and the spouses of children, grandchildren, great grandchildren, brothers and sisters) and (iv) any entity where more than 35 percent of the entity is owned/controlled by any of these persons.

Confidentiality and Privacy Policy

The Community Foundation holds all information concerning our donors and their donor-advised funds in strict confidence. The Community Foundation will only release information about a donor if the donor has given permission, or if a government agency or court has the legal authority to request the information. All personal data collected on this form is subject to the Community Foundation's privacy policy, which can be found at www.growyourgiving.org/privacy-policy.

Bequests and Beneficiary Designations

To name a corporate donor-advised fund at the Community Foundation as a beneficiary of a will or trust, life insurance policy or retirement plan account, the following language may be helpful in completing estate planning documents or beneficiary designation forms: After describing what the donor wants to leave to a fund (i.e., a percentage of the estate/trust/account or a specific dollar amount), please note that it will pass "to the [Greater Kansas City Community Foundation (EIN 43-1152398) at 1055 Broadway Blvd., Suite 130, Kansas City, MO 64105] for the [name of the fund]."

Fundraising

The Community Foundation cannot sponsor or reimburse expenses for any fundraising activities or any other events intended to benefit any corporate donor-advised fund, and will not be responsible for the collection of any amounts from any benefit, ball, banquet, athletic event or third-party online fundraising page. The Community Foundation will only be responsible for the proper disbursement of funds actually received. Any advertising, promotional or other materials must be consistent with this policy.

Additional information about fundraising can be found at www.growyourgiving.org/fundraising-guidelines.

Honoring Donor Intent/Variance Power

The Community Foundation carries out a company's charitable intent through a corporate donor-advised fund. In rare circumstances, the Community Foundation may determine that the fund's charitable purposes may have become unnecessary, obsolete, incapable of fulfillment, impractical or inconsistent with the community's charitable needs. In that case, the Community Foundation may need to exercise its variance power to change the charitable purpose of the fund. In doing so, the Community Foundation will strive to make distributions that are consistent with the company's charitable interests.
