

DONOR-ADVISED FUNDS MAKE GIVING EASY

Steps to Get Started

Donor-advised funds are our donors' charitable giving accounts, helping them maximize and organize their giving. You can set up a donor-advised fund quickly and easily. Follow these simple steps to get started:

1

Visit our website at www.growyourgiving.org and easily set up your donor-advised fund using our online form. Or, contact us toll free at 866.719.7886 or by email at info@growyourgiving.org.

We do not require a minimum balance for the fund, and fees start at just \$21 a month.

For those who wish to use our services under our national entity, visit www.greaterhorizons.org.

2

When you are ready, contribute to your fund with gifts of cash, stock or other assets and receive a tax deduction.

You can choose how contributions to your fund are invested. Your trusted financial advisor can manage your assets, or you can select a custom mix using one or more of our investment pools.

3

We will send a username and password, so you can access our online donor portal and make grants from your fund at your convenience.

Begin granting to support your place of worship, alma mater, the arts, social services or any 501(c)(3) public charity in the country.
