

THE 2024 PINNACLE AWARD

The Pinnacle Award celebrates philanthropy in the Northland. It is presented each year by the Northland Community Foundation to recognize and honor individuals, groups and businesses that best exemplify civic pride and leadership, individual and neighborhood caring, and have made significant charitable contributions either by personal deeds or monetary commitments to our community.

RECIPIENT QUALIFICATIONS

- The recipient does not have to be a resident of the Northland.
- The recipient's contributions must benefit the residents of Clay and/or Platte counties.
- The recipient may be an individual, business or civic organization.
- Past recipients are not eligible for the award.
- The recipient cannot be a current Northland Community Foundation board member.

Our intent is to recognize the individuals, businesses and civic organizations that provide philanthropy rather than organizations that benefit from philanthropy.
